## Service of Worship

Sept. 17, 2023 • 9 and 11 a.m.

### About Today's Service

When you have all the time in the world, you can talk about anything and nothing. But when time is short, you want to say what matters. Over the next few weeks, Rev. Tom Are, Jr. will lift up some language we have shared together. They are phrases that he wishes to leave with you as a type of blessing, and to express his gratitude for you. Next Sunday, Rev. Dr. Rodger Nishioka will join the series and offer a phrase that is central to his faith, and will be important words going forward.

## ABOUT TODAY'S MUSIC

"His Eye Is on the Sparrow," written by Civilla D. Martin, composed by Charles H. Gabriel, is sung today by Sandy (Wilkin) Yan Meristal, director of Fundación Enciende Una Luz (Light A Candle Foundation), Village Church's Dominican health care partner organization. Through Light A Candle, the Village Church provides free health care & health education services to 3,500 Haitian men, women and children each year who live in impoverished and remote batey communities in the Dominican Republic. Village Church also supports free surgical care to approximately 140 people annually through our partnership with Hospital El Buen Samaritano in La Romana, D.R.

## WELCOME TO VILLAGE CHURCH

Whether this is your first time at Village, or you come so often you call it "home," we are blessed that you are with us today. No matter where you are in your faith journey or life stage, no matter what questions or burdens you carry, Village takes seriously the call to be welcoming; we are glad you are here. Every Sunday we gather to read the old story, sing hymns (some of which our grandparents sang), while also engaging the world in which we live this minute through sermons and prayer. By connecting the story of our lives to the story of Christ's life, we discover hope and even joy.

If you are new to us, stick around after the service. Introduce yourself to one of our pastors. We have tons of programs to expand your spirit and enrich your life. We would love to tell you more. Give us a try; soon you might also be calling this place "home."
