Service of Worship

About Today's Service

Faith is work. Love is a labor. Hope is steadfast. Paul describes Christian DNA just this way because faith is more than what we think and love is more than what we feel, as both show up in the choices we make as to how we will live. Hope lives in the Christian in the same fashion. Hope is not just a conviction, but a practice.

UPCOMING SERMON SERIES

Joy When You Need It Most

This is the season when we light the candles of Hope, Peace, Love and Joy. This year, perhaps more than most, we need a little joy. When spirits are battered and the heart is bruised, when life is wearying and hope is fragile, joy can seem hard to come by. But joy is a strong disposition. Joy is both a gift and a spirit that is pursued. It is an experience of grace and also the fruit of discipline. This Advent we will rehearse once again the story that is the source of joy to the world, as well as joy to us when we need it most.
