***(Now you will be asked a series of questions relating to your travels)***

**Upload a color picture of your passport. Follow their directions.**

**Upload a low-resolution color headshot of you standing against a white wall. I took a selfie and apparently it worked. Again, follow their directions.**

**Now you will be prompted to pay \$51.00. While processing, a message appeared from my credit card asking to call to verify, which I did. I waited for a minute and then got a notification of a successful application.**

**Print and save your Visa application.**
